PRESS STATEMENT.

FROM THE PREMIER (MR. DUNSTAN)

The Government will subsidise on a one for one basis up to a maximum of \$4,000 the cost of establishing a new caravan park at Port Broughton, the Premier and Minister of Development (Mr. Dunstan) announced today.

Mr. Dunstan said that the District Council of Port Broughton estimated the total cost of the park to be some \$8,000 and the Government subsidy of \$4,000 will greatly assist in the development of the park which is required to meet the growing public demand in the area.

Mr. Dunstan said that in busy periods the existing caravan parks are badly overcrowded and the new park at Port Broughton, which is in accordance with the R.A.A.'s plan of development, will undoubtedly help to satisfy a growing need.

"The Government is pleased to be able to make this subsidy since it is in line with its policy of encouraging tourism in the Yorke Peninsula area".
